Dear Parent/Guardian,

Re: Examination Timetable

Please find attached a personal examination timetable for your child showing the dates of EXTERNAL examinations to take place in November 2016 as well as dates of internal "mock" exams. A timetable showing dates of external examinations in January 2017 will be issued in November. We will be very grateful for your co-operation in ensuring that your son / daughter attends all sessions.

Morning session begin at 9.00am. All examinations will be held in the Lower School Sports Hall.

Also included is a list of revision classes available for last minute problems. **These classes should not replace normal revision.**

Your child has also been entered for an additional qualification, "Certificate in ICT Application Skills" (ECDL) and dates for these sessions are shown on the timetable.

Regulations set by all Examination Boards specifically prohibit mobile phones, MP3 players and any other electronic equipment. Possession of phones, etc. can result in disqualification from all exams undertaken up to that date. Please ensure that your child does not carry these to school during the exam season or gives them to an invigilator before an examination begins.

Examination results will be available on the following dates:

November Exams	-	Results issued on 12 th January 2017
January Exams	-	Results issued on 2 nd March 2017

In the Summer Term written examinations begin on Tuesday 9th May. However, controlled tasks and other required assessments will take place before this date. It is essential that your child has full attendance in the coming months.

May I also remind you that your son / daughter should **now** be working **at home** for twenty hours per week. He / she should follow the school day hours for study over holidays.

Yours sincerely
M E Harris
