Dear Director

Coronavirus (2019-nCoV)

I wrote to you on 5 February requesting that you communicate the latest Public Health Wales advice to your schools in respect of novel coronavirus.

This is an evolving issue and public health advice in respect of people returning from mainland China (other than Hubei province, including Wuhan) and other affected areas has been revised in the last few days.

Given the evolving situation Directors are asked to advise their schools to regularly check the Public Health Wales website for the latest advice. The relevant link is attached below:

Yours faithfully
