Dear Parent/Carer

CORONAVIRUS/COVID-19 TESTING

Thank you all for your engagement with the Lateral Flow tests which took place in secondary schools across Merthyr Tydfil which will be repeated next week. The engagement was excellent, and your children did you proud.

I just wanted to take this opportunity to remind you of the processes if the lateral flow test comes back positive.

Anyone who tests positive on the lateral flow test **must** attend one of the local centres or phone 119 for a drive-through appointment for a confirmatory PCR test. Whilst waiting for the result of this test the immediate household **must** remain in isolation.

Once the PCR test comes back please inform the school of the results. If positive, the household **must** remain in isolation for 14 days from the sate of the lateral flow test and other contacts will be required to do the same. Please follow the information given by Track and Trace so that we can continue in our endeavours to keep everyone safe and manage the spread of the virus.

Thank you again for your support.

Yours sincerely

SUE WALKER
CHIEF OFFICER (LEARNING)
